

NEWSLETTER FOR FAMILIES

SUMMER 2026

Wow, what a summer 2026 turned out to be, with record breaking sunny days, this summer has been one for the books! Some of the days proved to be too hot to go outside, thankfully the lounge, although surrounded by windows, remained at a comfortable temperature for all. On the slightly cooler afternoons some of our lovely residents have had the opportunity to visit Hotham Park with carers to enjoy a drink and an ice cream.

There has been lots of Al Fresco dining in the garden, under the gazebo and it is lovely to see visiting family / friends enjoying the garden too, this really lifts the spirits of our residents. Thank you to Lorraine for the lovely fresh plants that she has added to the garden and for her early morning visits to ensure they are well watered due to this particularly hot summer! It is still looking beautiful in the garden and some of our residents have expressed their appreciation.

As the evenings begin to draw in, we are still looking forward to plenty of warm September days. These sunny afternoons will give our residents even more opportunities to enjoy the outdoors. If you would like to borrow a wheelchair for a family outing, please let us know.

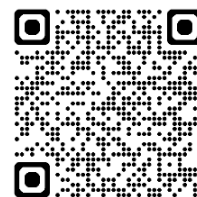

ACTIVITIES

Be sure to check out our new notice board in the lounge, located on your right as you enter! We will keep it filled with fresh photographs and our residents' beautiful creative masterpieces. A special thanks to our wonderful carer, Lisa, who facilitates our arts and crafts activities.
